

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top edge and slopes downwards to the right, crossing the upper horizontal line and the lower horizontal line. The number '2' is centered in the rectangular region between the two horizontal lines and to the right of the vertical line.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the top right and goes down to the bottom right. The number '3' is centered in the middle of the grid.
