A diagram consisting of a grid of three horizontal lines and one vertical line on the left. A diagonal line slopes upwards from the bottom right towards the top right. The number '8' is centered in the middle of the grid.

8

A diagram illustrating a coordinate system. A vertical line and a horizontal line intersect at the origin. A curve starts from the bottom-left quadrant and curves upwards and to the right, crossing the horizontal axis and then the vertical axis. The number '9' is placed in the upper-left quadrant of the coordinate system.
