11

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the bottom right and goes towards the top right. The number '12' is centered in the space between the vertical and horizontal lines.

12

A diagram consisting of a grid of three horizontal lines and one vertical line. The vertical line is positioned to the left of the center. A smooth curve starts from the bottom-left, crosses the bottom horizontal line, and continues upwards and to the right, crossing the top horizontal line. The number '13' is placed in the upper-left region of the diagram.
