

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top edge and slopes downwards to the right, crossing the top horizontal line and the bottom horizontal line. The number '2' is centered in the space between the two horizontal lines.

8

A diagram consisting of a grid of three horizontal lines and two vertical lines. The top horizontal line is at the top of the page. The middle horizontal line is in the upper half. The bottom horizontal line is in the lower half. A vertical line is on the left side. Another vertical line is on the right side, slanted slightly to the right. A diagonal line starts from the bottom right and goes towards the top right, crossing the top horizontal line.

9

A diagram consisting of a horizontal line at the top, a vertical line on the left, and a curved boundary on the bottom. The number '10' is written in the center of the area bounded by these lines.
