

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top edge and slopes downwards to the right, crossing both horizontal lines. The number '2' is centered in the space between the two horizontal lines.

A diagram consisting of a grid of lines. A horizontal line is at the top, and another horizontal line is at the bottom. A vertical line is on the left side. A curved line starts from the left side, below the top horizontal line, and curves downwards and to the right. A straight line starts from the bottom right and goes upwards and to the left, crossing the bottom horizontal line. The number 9 is centered in the space between the top and bottom horizontal lines and to the right of the vertical line.
