

1

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top edge and slopes downwards to the right, crossing the upper horizontal line and the lower horizontal line. The number '2' is positioned in the space between the two horizontal lines, to the right of the vertical line.

8

A diagram consisting of a large, thin black number '9' centered within a rectangular frame. The frame is formed by a vertical line on the left, a horizontal line at the top, and a horizontal line at the bottom. On the right side of the frame, a curved line starts from the bottom horizontal line, curves upwards and to the right, and then continues as a straight line towards the top horizontal line. The number '9' is positioned in the center of the rectangular area defined by the left, top, and bottom lines.
