

**1**

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are present. A diagonal line slopes downwards from the top center towards the bottom right. The number '2' is centered in the space between the two horizontal lines and to the left of the diagonal line.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line slopes downwards from the top right towards the bottom left, crossing the two horizontal lines. The number '3' is centered in the space between the two horizontal lines.

3

The image shows a white background with two horizontal black lines. The top line is positioned approximately one-fifth of the way down from the top edge, and the bottom line is positioned approximately one-fifth of the way up from the bottom edge. A diagonal black line starts from the top edge, slightly to the right of the center, and extends downwards to the bottom edge, crossing the bottom horizontal line. The number '4' is printed in a bold, black, sans-serif font, centered between the two horizontal lines.
