

A diagram consisting of a grid of four quadrants formed by a vertical line and two horizontal lines. A diagonal line runs from the top center to the bottom right. The number '2' is centered in the middle-right quadrant.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top right and goes down to the bottom right, crossing the two horizontal lines. The number '3' is centered in the space between the two horizontal lines.

10

A diagram consisting of a grid of three horizontal lines and one vertical line on the left. A diagonal line runs from the bottom-left towards the top-right, crossing the second horizontal line from the top. The number '11' is centered in the rectangular region between the top and second horizontal lines, and to the right of the vertical line.
