A diagram showing a light blue shaded parallelogram. A diagonal line runs from the bottom-left corner to the top-right corner. The number 16 is centered within the parallelogram.

16

17

The diagram features a light gray shaded region. The boundary of this region is composed of three parts: a vertical line on the left, a horizontal line at the bottom, and a curve on the right that starts from the bottom horizontal line and extends upwards, crossing a horizontal line that spans the width of the image. The number 17 is centered within this shaded area.
