

1

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top edge and slopes downwards to the right, crossing the upper horizontal line and the lower horizontal line. The number '2' is centered in the rectangular area between the two horizontal lines.

8

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the bottom right and goes towards the top right. The number '9' is centered in the space between the vertical and diagonal lines.

9

The image features a white background with a grid of thin black lines. A vertical line is positioned on the left side, and two horizontal lines are spaced apart. A diagonal line starts from the bottom right and extends towards the top right, crossing the upper horizontal line. The number '10' is printed in a large, bold, black font in the center of the grid.
