

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line slopes downwards from the top-right towards the bottom-left, crossing the two horizontal lines. The number '2' is centered in the rectangular region between the two horizontal lines and to the right of the vertical line.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the top right and goes down to the bottom right. The number 3 is written in the center of the grid.
