

1

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top edge and slopes downwards to the right, crossing the upper horizontal line and the lower horizontal line. The number '2' is centered in the rectangular area between the two horizontal lines.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the top right and goes down to the bottom right. The number '3' is located in the middle-left area of the grid.

3

4

5

6

A diagram consisting of a grid of black lines on a white background. The grid is formed by two horizontal lines and two vertical lines. A third vertical line is tilted to the right, starting from the bottom horizontal line and extending upwards, crossing the top horizontal line. The number '7' is printed in a bold, black, sans-serif font in the center of the grid.

7

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the bottom right and goes towards the top right. The number '8' is centered in the space between the vertical and horizontal lines.
