

1

The image features a white background with a grid of black lines. A vertical line is positioned on the left side, and a horizontal line is positioned near the top. A diagonal line descends from the top edge towards the bottom right corner. The number '2' is centered in the region bounded by the vertical line, the top horizontal line, and the diagonal line.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the top right and goes down to the bottom right. The number '3' is centered in the middle of the grid.

7

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A second horizontal line is at the bottom, and a slanted line is on the right, sloping upwards from left to right. The number '8' is centered in the space between the two horizontal lines and to the left of the slanted line.

8

A diagram consisting of a grid of three horizontal lines and two vertical lines. The top horizontal line is at the top of the page. The bottom horizontal line is at the bottom of the page. A vertical line is on the left side, and another vertical line is on the right side. A diagonal line starts from the bottom-left corner and goes up to the top-right corner. The number '9' is centered in the middle of the grid.
