

2

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line starts from the top right and goes down to the bottom right, crossing the lower horizontal line. The number '3' is centered in the space between the two horizontal lines.

3

A diagram consisting of a grid of lines. A horizontal line is at the top, and another horizontal line is at the bottom. A vertical line is on the left side. A diagonal line starts from the top right and goes down to the bottom right. The number '4' is centered in the space between the two horizontal lines and to the right of the vertical line.
